FLEXI

#1 SOFTWARE IN THE SIGN & PRINT INDUSTRY

AN ALL-IN-ONE, COMPLETE SOLUTION DESIGNED FROM THE GROUND UP FOR SIGN AND PRINT PRODUCTION.

FLEXI COMPLETE

One solution for all your print, cut and design needs

Sai Flexi Complete is the only all-in-one design, print and cut software for sign and print providers. With nearly 3 out of 4 shops using it, flexi is the industry-standard for sign-specific design tools, rip software, print-and-cut software, and direct vinyl cutting.

FLEXI DESIGN

Sign and print design unlike any other.

SAi Flexi DESIGN is the leading design software in the sign and print industry. Unlike other design software, Flexi DESIGN was created from the ground up for the sign and print industry which means it includes unique tools that make every aspect of designing, job preparation and production faster.

FLEXI DTF|DTG

Direct to film and direct to garment design to production

Flexi DTF|DTG is a production powerhouse providing both time and ink-saving features that will drive up profits for your business. Simplify DTF DTG design and production. Tools are conveniently organized under one tab, so you won't waste time scrolling through menu bars to find what you need. Transparency mask options make printing white under flood easier than ever, including for transparent TIFF and PNG files.
